

ChickP G910

DATA SHEET

Production date: Oct 10th, 2019

Expiry date: Oct 9th, 2020

Batch num: 9100010102019-01A/05A

ChickP G910 is a high-purity isolated chickpea protein designed to provide strong texture and emulsion stability as an ingredient in a variety of food applications including Dairy Analogs, Meat Analogs, Baked Goods, Crisps and many other applications. With its high solubility and smooth viscosity, ChickP G910 forms an emulsion/gel and contributes to a firm finished product.

ChickP G910 is produced from carefully sorted chickpea raw material and it is a nutritious, gluten free valuable product.

Shelf life: Best used within 12 months from date of production when stored under dry cool conditions (max 30°C, max 60% R.H.).

Packaging: 20 kg in multi-layer paper bags.

ChickP G910 is produced according to the ISO 9001:2008, HACCP (NSF) and GMP standards.

Certification: Kosher & Halal (on demand) certified ingredient
Dose not contain GMO's or GMO-derived components. Not produced using GMO based technology.

Safety: Food grade, suitable for human consumption. Free from any harmful or toxic substances.
